

SAVE THE DATE

2027 Municipal Court Manager's Association Conference

May 17th - May 20th, 2027

Caesars Windsor Convention Centre | Windsor, Ontario

Travel options and hotel booking information for MCMA attendees

AIR FLIGHT

Windsor International Airport, Your Quick Gateway (YQG) Inc., is conveniently located just **15 minutes from downtown Windsor**. The terminal has been designed to be passenger friendly to minimize walking distance throughout the terminal and adjacent parking lots.

The airport offers daily service to and from **Toronto Pearson with Air Canada Jazz** and **Ottawa with Porter Airlines**.

Upon arrival, transportation to and from the airport is guaranteed by the presence of all major car rental companies in Windsor, the presence of ground transportation providing efficient, reliable services, shuttles, or public transit. Three car rental agencies are also located on site at the airport.

RAIL TRAIN

Windsor's train station operates out of the historic **Olde Walkerville** district and is just a short cab or bus ride to downtown Windsor. There are four daily departures and corresponding return trips along the **Toronto-Windsor corridor**.

The Windsor train station's recent modernization renovations included mobile accessibility, better lighting, wider platforms, spacious waiting areas and easily accessible power stations for electronic devices. Parking and drop-off zones were designed for easier access as well. The four-hour journey from Toronto through southwest Ontario is a hassle-free way to get to Windsor Essex, with priority boarding, power outlet at your seat and a meal with your business class ticket.

401 DRIVE

Windsor is only a **four-hour drive from Toronto down the 401** and easily accessible from Michigan through our two international crossings at the Windsor-Detroit Tunnel and Ambassador Bridge, and the now-open Gordie Howe International Bridge.
