Floating User IDs

- Issue is ongoing
- Appears to be occurring in courts that have multiple users logging in on the same computer
- Occurs days sometimes weeks after a new user has logged in
- Ensure all users are logging off as directed by Jeremy Griggs and ICON support in letter dated June 27, 2012
- When it occurs, log a ticket with ICON support and copy Suzanne Schmid sschmid@oxfordcounty.ca – MAG and ICON Committee can look for trends in occurrences
