

The courts don't stop, and neither does the Municipal Court Managers' Association (MCMA) Conference Planning Committee! After a successful 2026 conference in Mississauga, we are turning our attention to planning for our 2027 conference, scheduled for May 17-20 in Windsor, Ontario at Caesars Windsor! We are very excited about the 2027 conference and are pleased to reach out to you for a sponsorship opportunity.

For 2027 we have updated our sponsorship options to allow for a wider range of support. Attend the conference in person with our **Platinum** level or support us from afar with the **Bronze** level. New this year is the very exclusive **Diamond** level, giving you the unique opportunity to host the hospitality suite for an evening of networking and casual discussions with the membership. This year, evening social activities will be for MCMA members only, so the **Diamond** level is an excellent way of expanding your face time with the membership.

Supporting the MCMA conference gives you the opportunity to connect with 70+ municipal court managers in a relaxed and collaborative atmosphere. Joining at our **Platinum** or **Diamond** level will give you the opportunity to socialize with the group at the welcome reception and includes your food and beverages during the day.

Prior to the conference, sponsors will be provided with the agenda outlining which sessions they are eligible to attend. Sponsors are responsible for their own hotel accommodations, but a block of rooms has been held at a **special rate of \$184/night** for the conference until April 24, 2027. Reserve today to ensure you can be a part of this exciting event! This venue features a waterfront location, on-site shopping and restaurants and on-site parking.

If you cannot sponsor us at this time, we are still very grateful to receive support in the form of door prizes or swag bag donations. Please connect with us to discuss further options – we would love to work with you.

We look forward to welcoming you to our 2027 event.
